

# VIKRAM A SARABHAI COMMUNITY SCIENCE CENTRE

Requires **Science Communicators**

## for **Science Express - Climate Change Special**

Science Express is a unique science exhibition train traveling across India since 2007. Its next phase, Science Express - Climate Change Special (SECCS) is a collaborative initiative of Department of Science & Technology (DST) and Ministry of Environment, Forests and Climate Change (MoEFCC), Govt. of India.

The upcoming tour of SECCS across India is being planned from September 2015 to April 2016. The SECCS exhibition and activities aim to create awareness on climate change and science among students and general public. DST has entrusted Vikram A Sarabhai Community Science Centre (VASCSC), Ahmedabad with operational responsibility of the project. More information is available on [www.scienceexpress.in](http://www.scienceexpress.in).

VASCSC is looking for **Science Communicators** for the upcoming phase of the SECCS project.

**Qualification:** Young science postgraduates/graduates or equivalent. Education or experience in science communication, climate change, environmental science, life sciences or related disciplines will be given preference. Excellent communication skills and knowledge of multiple Indian languages is desirable. Candidate should be self motivated and medically fit for the long and continuous exhibition tour.

**Roles:** Include interpreting the exhibition and facilitating visitors; conducting hands-on activities and experiments on the train, on platforms and in local schools at the respective halts. Roles may also include facilitating local coordination, logistics, publicity, documentation, reporting, disseminating information, etc.

**Pay:** Consolidated salary in the range of Rs. 18,000/- to 22,000/- per month depending on qualification. In addition, a daily allowance and basic boarding facility will be provided.

**Note:** Selected candidates will be required to join immediately. These are short term appointments of around seven months, co-terminus with the project. The job involves work without off days and continuous travel on the train. This being a mobile exhibition changing location every few days, the candidates should have ability to quickly adapt to different and difficult conditions.

Those interested should apply in the prescribed application form, within seven days of advertisement to:

Vikram A Sarabhai Community Science Centre  
Opp. Gujarat University, Navrangpura, Ahmedabad - 380 009  
Email: [seccs.jobs@gmail.com](mailto:seccs.jobs@gmail.com)

Prescribed application form available on: [www.vascsc.org](http://www.vascsc.org), [www.scienceexpress.in](http://www.scienceexpress.in)

Only shortlisted candidates will be called for interviews, at short notice.
